### REASONS FOR ALLOWANCE

1. Claims 1, 6-12, 16-18, 26-27, and 30-31 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art fails to teach or reasonably suggest the limitations of the allowed claims. In particular, and as discussed in the final rejection mailed on 10/28/08, the prior art fails to teach or reasonably suggest determining whether an email address should be marked as invalid based upon a determined failure type and the ISP associated with the email address.

At best, the prior art of Tsuei (cited in the PTO-892 form mailed on 10/28/08) discloses a forwarding system by which email directed to an invalid address associated with a first ISP is instead forwarded to a valid address associated with a second ISP. However, this does not indicate that the initial invalidation of the first address was accomplished based on the ISP associated with the email address.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### *Conclusion*

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. See the Notice of References Cited (PTO-892).

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to BRIAN P. WHIPPLE whose telephone number is (571)270-1244. The examiner can normally be reached on Mon-Fri (9:30 AM to 6:00 PM EST).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Follansbee can be reached on (571) 272-3964. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
